

## June District 12 and 13 Meeting Minutes 6/14/2022

### District Meeting

Meeting opened w/ Declaration of Unity, AA Preamble, Step 6 Tradition 6, and Concept 6

### Introductions & Group Reports:

Name	Group	Update
Aria	Women's Serenity	status quo - solid in person and online - meetings have been going very well. some issues filling positions for online responsibilities, but are trying to be creative with week long positions vs month, etc. Dogs come in the church which isn't a big deal, but the church doesn't allow dogs so we're trying to be careful about the cleanliness of their pets
Maura	Copley Friday	full room, good attendance, limited number of woman staying for service positions but nothing out of the norm.
Abby	Park Street	going hybrid for thursday meeting, good news! online attendance won't be active in the meeting but can watch commitment speakers. on wednesdays, we'll become hybrid too and that hybrid meeting will be more inclusive across virtual/in person.
Nicole (Alt: Meredith)	Out of the Basement	Both 6pm and 7:30pm have been well attended; 6pm seems to have more attendance. attendance seems to be closer to what it used to be. nothing new... business meeting is large, but the people that are consistently doing service is around 15.
Veda (Alt: Sandy)	Arch Street	-
Val	BU March Chapel Lunchtime	-
Jai	Alcoholics Together	status quo - stil have an active hybrid meeting going on. originally we were at MGH and recently we moved to K street. hybrid is accessible but some members that are in person would rather have in person only. 15 online / 15 in person.
Rich	Mindful Steps	-
Becca	Group of Drunks	-
Mercy	Brigham Circle Group	-
Michael	Back Bay Steps	status quo - was away for a week and when I got the meeting was full! we've been able to fill all our positions. we don't need to hunt for speakers any more which is nice. over 40 ppl. online seems to also be going well, but it is a concurrent meeting so I haven't been there.
Geoff	Ashburton Group	-

Caroline	Beginner's Mind	40-50 ppl in person, a good group of people. still paying for the zoom account for online meetings, but the meetings have decided to become separate. Online is national at this point so they'll be able to cover the zoom on their own. Meredith: noted that she attends online and that she can bring it up with group members to see where everyone's head is at. attendance from all over the world, pretty good showing.
Gray		hybrid - status quo - one thing were having trouble with is ... 60% of ppl show up online, good attendance, but the core group of members is continuing to be fairly small. a lot of the active members are not even in the state so they can't come into the in person commitments.
Jules	not our district meeting, just FYI	Masks or not, the vote came up. used our $\frac{2}{3}$ substantial majority and have the minority opinion... What happened in this situation, was that 2 people who were part of the group weren't there, and wouldn't have been able to go to the meeting had the vote passed to not wear masks.
